Supporting Children's Charities

We are proud to support a deserving charity. In partnership with the Alternative Investment industry, Help For Children prevents and treats child maltreatment by funding programs that use evidence-based methodologies.

With this event, we are proud to support Help for Children Canada whose mission is to prevent and support victims of child abuse. All proceeds from this event will support GTA charities aligned with this cause.

In 2025, your support and donations specifically helped VICTIM SERVICES DURHAM REGION, providing Human Trafficking Intervention & Prevention Supports (HIPS) and funding a full time Human Trafficking Crisis Intervention Counsellor at VSDR to ensure all human trafficking survivors are connected to trauma-informed resources and supports.

About Help For Children

Help For Children (HFC) was founded in 1998 after one fundraising gala in New York City by veteran financial industry executive Rob Davis, with the goal of raising funds for the prevention and treatment of child maltreatment. HFC has since grown to include multiple locations across the United States, Canada and worldwide. HFC events are the primary source of fundraising while providing marketing and networking opportunities for the Alternative Investment industry. Events now range from galas, golf outings and more. Since its inception, HFC has invested more than \$61 million USD to fight child maltreatment, transforming the lives of more than 1.1 million individuals.
